

## North Brookfield Transfer/Recycling Facility Stickers for 2024

The North Brookfield Select Board annually sets the sticker amount per residential unit with input from the Board of Health. The 2024 sticker fee is \$65 per unit.

To utilize the Transfer Station & Recycling Center, residents are required to purchase a sticker (\$65.00) and must use special Town trash bags when dropping trash at the facility. One (1) additional sticker is offered at no cost; a second sticker must be obtained at the Transfer Stations and vehicle must be on site to receive your sticker. Town trash bags are available for sale at Hannaford Supermarket and at the Transfer Station. A roll of ten 33-gallon bags is sold for \$20.00.
