

## **MINUTES OF SELECTMEN'S MEETING MARCH 12, 2019**

Vice chairman Petraitis called the meeting to order in the Selectmen's office at 6 PM with Mr. Tripp also present. Mr. Kiley arrived at 6:30.

The Selectmen agreed to put the request to purchase Buxton Hill Road on a future agenda. This road was abandoned by the Town in 1937 and leads to the Cooley Hill Dam, which was recently sold by the Town of Brookfield.

The Board reviewed a proposed lease agreement with Symbiont Energy, but Mr. Tripp said that he wants Symbiont to come to North Brookfield and walk the site with the Selectmen before making a decision.

There being no further business, at 7:30 PM Mr. Petraitis moveod and Mr. Tripp seconded, a motion to adjourn. So voted.

Respectfully submitted,

Leslie Scott Burton  
Administrative Assistant .
