

MINUTES OF SELECTMEN'S MEETING NOVEMBER 16, 2012

Chairman Petraitis called the meeting to order at 7:15 PM in the Elementary School Auditorium, immediately following the Special Town Meeting. Also present were Selectmen Walter and Chabot, and Board of Assessors Chairman Sheila Buzzell.

Mr. Petraitis explained that this is a continuation of the Tax Classification Hearing that was opened at the November 5th Selectmen's meeting.

Mrs. Buzzell explained that the Town has \$1,767.26 in excess levy limit, and last year's tax rate of \$13.50 will be going up for FY13. She noted that the Board of Assessors recommends keeping a single tax rate.

Mr. Chabot moved, and Mrs. Walter seconded, a motion to keep a single tax classification rate for FY13. So voted.

There being no further business, at 7:20 PM Mr. Chabot moved, and Mrs. Walter seconded, a motion to adjourn.

Respectfully submitted,

Leslie Scott Burton
Administrative Assistant
