

**Attention Water Users:**

## **Water Main Flushing**

**MAY 2, 2017 –MAY 20, 2017**

The North Brookfield Water Department will be flushing water mains throughout town beginning Tuesday, May 2, 2017 through Saturday, May 20, 2017.

The purpose of the flushing is to remove sediment buildup in the mains. The flushing may result in temporary discoloration of the water, caused by small particles dislodged during the flushing. This discoloration might stain your laundry, especially white materials.

Flushing is performed between the hours of 7:30 AM and 4:00 PM. We post our daily flushing schedule on the North Brookfield Water Department Facebook page. If you would like additional information, please call the Water Department at (508) 867-0207.
