Meeting Minutes
May 11, 2015

Present:

Charles Haddock, Chairman
John Farmer, Clerk
Rodney Jenkins, Sewer Superintendent
Laurie Lapierre-Recording Secretary

The Town of North Brookfield Sewer Commissioners Meeting was called to order at 3:32 p.m.

1. Discuss and accept minutes from April 13, 2015.

Mr. Farmer made a motion to accept the minutes as presented. Mr. Haddock seconded The motion; all were in favor, approved.

2. Superintendent Report.

- The top end was replaced on the septage pump and the old one is ready to be sent back.
- The compressor is in but not installed. We are waiting for Troy Brown our electrician.
- Ruth Laporte phoned stating her driveway was collapsing due to a suspected leak within her sewer line. United Drain was called in to locate and camera the line. This department has very few records in respect to service lines. After inspection, the pipes are in fairly good condition, clean with a few sags. It appears to be a ground water issue. This Department paid for the locator services in order to have accurate records on file.

3. Review/sign bills, payroll, abatements and commitments.

The Commissioners reviewed and signed off on the following:

- Warrant
- Payroll

4. Inform Board of FY 15 budget status.

Mr. Jenkins stated that we should have \$14,000 in surplus unless something major should happen.

NEW BUSINESS: Mr. Jenkins notified the Board that three of the Departments employees have joined the Teamsters Local 170. This is the same Union that represents the Highway Department.

The meeting adjourned at 4:21 p.m.

Respectfully Submitted,

Laurie Lapierre
Recording Secretary
