

Minutes of the Meeting of the Board of Water Commissioners
Monday, November 14, 2022
Bell Hill Water Treatment Facility
14 Bell Hill Road
North Brookfield, MA 01535

Present: Tim Nason, James Grace, Jamie Flamand and Kelly Valeri

Absent: Christopher Caputo

The meeting opened @ 6:00 PM

Review and approve the minutes

Mr. Nason made a motion to approve the October 17, 2022 minutes as written. Mr. Grace seconded the motion. The vote to accept these minutes was unanimous.

Superintendent Report

Effluent Pump #1 – The effluent pump #1 at the Water Treatment Plant has been reinstalled without any issues. It is back up and running much better than before. Mr. Flamand is planning on having effluent pump #2 worked on in FY 2024.

Elm Street Project - All the materials for the Elm Street Project have been delivered. This includes the pipe, gates, tees, etc. Mr. Flamand and the BOWC would like to thank Mr. Nydam who graciously allowed the materials for this project to be stored in one of the fields at the Apple Orchard. This was a huge help as the cost of materials was expected to increase if Mr. Flamand waited until Spring to purchase them.

Pond Aeration - The Horse Pond aeration units have been installed. The installation was completed within one day. Mr. Flamand is waiting for National Grid for power. No date has been given as of today as to when the pole will be installed.

New Business

None at this time.

Meeting Adjourned at 6:21 pm

Respectfully Submitted,

Kelly Valeri
Administrative Assistant
