

North Brookfield Master Plan Committee Community Survey Results Report

- **What does everyone like about North Brookfield?, Dislike?**
- **How much building is desired and what type of housing?**
- **How big should a building lot be?**
- **What type of businesses do people want in town?**
- **Where should new business be located?**
- **How are the town departments rated on performance?**

These and other answers from the people who made their ideas known in the community survey will be presented and discussed in the second community forum. The data will form the basis for the questions of what should the Master Plan recommend. Please attend so your thoughts and ideas can be incorporated into the process. The Master Plan is for your benefit so do not miss this opportunity to contribute.
