Provisions of chapter 303 of the Acts of 1975

Kim George, Commission Secretary

*****The work of a dedicated team of commissioners serves to protect wetlands & wildlife and to preserve land in town. “Rural character” holds great value to the residents of our Town. The future of these resource areas stems from the preservation of ecologically sensitive natural resources and environments for protection of scenic cultural resources and opportunities for recreation.**

Agenda items listed are those reasonably anticipated by the Chair to be discussed at the meeting. Not all items may be discussed, and other items not listed may be brought up for discussion to the extent permitted by law.
