The Common

Brandon did some painting on the swings and made some repairs. We discussed filling in the empty spots on the swing sets. We will purchase a trapeze swing and toddler swing from Amazon. These are less than \$100 each.

Mike will look into getting some shredded rubber for the swing area.

Kim sent a plan with the drainage & catch basins around the common.

Katie Griffin messaged about Trunk or Treat. They will need electricity. Katie will complete all of the paperwork necessary.
