

**Attention North Brookfield
Water Users:**

WATER MAIN FLUSHING

May 1st through May 31st 2024

The North Brookfield Water Department will be flushing water mains throughout town beginning Wednesday, May 1st through Friday, May 31st 2024.

The purpose of the flushing is to remove sediment buildup in the mains. The flushing may result in temporary discoloration of the water, caused by small particles dislodged during the flushing. This discoloration might stain your laundry, especially white materials.

Flushing is performed between the hours of 7:30AM and 3:30PM. We post our daily flushing schedule on the North Brookfield Water Department Facebook page. If you would like additional information, please call the Water Department at (508) 867-0207.
