Superintendent Report

Ward Street water main break – There was a water main break on 78 Ward Street on May 24th. Ed Thibeault and the Water department did a great job to get water restored to residents in a timely manner.

Old East Brookfield Rd. water main break - A second water main break was called in for 48 Old East Brookfield on May 30th. Once again, Ed Thibeault and the Water department did a fantastic job. Air remained in the pipes for a few weeks following the break but has since been cleared out.

Aeration Project for Horse Pond – The aeration project for Horse Pond has been approved by the ARPA committee. We are looking at around September for the project to begin. More details will follow in the next few months.

Lead & Copper Testing- Lead and Copper testing will take place this year per Mass DEP requirements. We test for Lead & Copper every 3 years. The Board of Water Commissioners recently approved a \$20 Hannaford gift card be given to each participant as a token of appreciation for continuing to support the Lead & Copper testing in town. The resident testing be Thursday, August 11th and the North Brookfield Elementary and High Schools will be tested in mid- September.
